

ROHS II 2011/65/EU

ROHS III 2015/863/EU

STATEMENT (V4.0 – Update July 2019)

Dear Customer,

With reference to:

EU Directive 2011/65/EU – Restriction of Hazardous Substances – RoHS 2

EU Directive 2015/863/EU – Restriction of Hazardous Substances – RoHS 3

DMR Seals Ltd confirms that the materials mentioned below which are used in our production and distributed by our company:

DMR Polyurethanes
DMR Elastomers
DMR PTFE
DMR Thermoplastic materials

Comply with European directives 2011/65/EU (ROHSII) and 2015/863/EU (RoHS III) and contain none of the substances listed below in concentrations greater than shown, nor have they been added consciously:

Lead (0.1%)
Mercury (0.1%)
Cadmium (0.01%)
Hexavalent Chromium (0.1%)
PBBs (Polybrominated Biphenyls) (0.1%)
PBDEs (Polybrominated Diphenyl ethers) (0.1%)
DEHPs (Bis(2-Ethylhexyl) phthalate) (0.1%)
BBPs (Benzyl butyl phthalate) (0.1%)
DBPs (Dibutyl phthalate) (0.1%)
DIBPs (Diisobutyl phthalate) (0.1%)

Although rarely used, if required or upon request DMR Seals occasionally utilises Aluminium materials in the production of a small number of our articles. This material is generally utilised but not limited to items such as retaining rings, backing plates, stiffeners and back-up rings. This alloy can contain an ingredient on the SVHC list – please request to see our separate REACH statement for this material if required.

Disclaimer

We are providing this statement with the best of our knowledge. This is non-binding advice and does not exempt the end-user from testing our products to determine their performance, efficiency, suitability and safety for each end-use product, device or application. The use and processing of our products is totally beyond our control and therefore, entirely your responsibility.
